CYNTHIA FOR NY

A New York for All of Us

FIXING OUR BROKEN SUBWAY

Cynthia rides the subway every day. She knows firsthand how for eight years, Governor Cuomo has failed to address the mass transit crisis in our city. Delays. Signal Malfunctions. Rerouted lines. No elevators. Enough is enough. If Andrew Cuomo won't fix the subways, Cynthia Nixon will.

ENDING MASS INCARCERATION

It's time to end cash bail in New York state and stop the over-policing of communities of color. As governor, Cynthia will work to shut down the school-to-prison pipeline and the racist war on drugs – starting with legalizing marijuana.

RENT JUSTICE FOR ALL

Cynthia's rent platform is the strongest tenant protection program in the country, ensuring affordable homes to more than three million households, curbing our state's homelessness crisis, and preventing thousands of evictions.

100% RENEWABLE ENERGY

Cynthia has a bold plan to transition New York to a 100% renewable energy economy by 2050, creating thousands of new jobs and investing in communities that have been the most impacted by climate change.
